Prayer Needs

- Russian language to improve for preaching and evangelism
- God to open the eyes of the Russians here in Narva
- Getting treatment for Candice's and Corissa's Kyphosis
- Find a doctor for Lisa's celiac disease
- Praise God for meeting our moving expense needs.

Greetings from the Top of the World,

Summer is about gone and school is starting. These past several months I've worked on evangelism and preaching in Russian. Though I did not have the privilege to lead someone to Christ this summer, I was able to start up good conversations about Christ and pass out tracts. Please pray for opportunities to witness and that God will open the eyes of the Russians here in Narva. Also, pray that my language ability will grow and that my preaching and evangelism in Russian will improve. At times it can still be a struggle to preach in Russian.

This summer has also been filled with doctor appointments before school starts. We are having to travel to Tallinn (3 hrs. away) since there are no doctors in Narva for my wife's disease and my daughters Kyphosis of the spine (curvature of the spine). Please pray we can find the right doctor for my wife. Pray for my daughters. They need back braces but we are having trouble finding someone to treat them and correct the curve to avoid surgery. We would like to avoid sending them back to the States for a month to get a brace.

All our belongings are still in Russia. The man who was to help us get our stuff across the border is on vacation till the end of August. We have to wait till he gets back. My wife will be so glad to get our stuff! Pray for a smooth border crossing with little custom tax.

Thanks so much for all your prayers, support, and extra gifts for our moving expenses. We still have to pay for our stuff being shipped from Russia. If all goes well, the amount raised should cover it. Thanks so much for helping to meet this need. We are looking forward to seeing God provide in the coming years as we strive together to reach Russians for Christ.

For lost Russian souls,
