

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

Sept - Oct '09

Prayer Needs

- Preaching and evangelism, finding a place to meet for bible study.
- Health through the winter
- God to open the eyes of the Russians here in Narva
- Getting treatment for Candice's and Corissa's kyphosis and scoliosis
- Found a doctor for Lisa's celiac disease !

Greetings from the Frozen Top of the World,

We have our winter gear out and bracing for our long winter. The snow is here now and has brightened up the cold dark days. Pray for us as we go through the dark days of winter that God will keep us healthy and keep depression from the lack of sun away. The sun currently is setting around 3:30.

During Sept. and Oct. we were able to make 2 trips into Russia. It was great to fellowship with old friends. Many things are changing there making mission work very difficult. Keep Russia and its missionaries in your prayers.

Pray for my evangelism. Now that winter is here, street evangelism is difficult. We are looking for different ways to meet people and tell them about Christ. We are also praying and looking for a place to start a bible study/ church service. Pray for God's will and wisdom as we explore ways to reach people with the gospel and choose a meeting place to rent that we could eventually buy. Visit our website on "Our Ministry" page to see a map of Narva, see the areas we are looking at, and pray with us over the city.

I do want to thank you for your prayers concerning our health. We found a doctor in Tartu (3 hours away) that can help my wife with her celiac disease. Praise God! We are still waiting to hear back from a back specialist for my daughters spinal problems (kyphosis and scoliosis). We are hopeful that he will be able to treat them and not have to return to the US for treatment. Please keep this in your prayers.

For lost Russian souls,

Keith Sampson
