

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

Aug - Sept. '10

Greetings from the Top of the World,

Prayer Needs

- Soccer ministry
- For Aleksei and Demitri to grow in Christ.
- God to open the eyes of the Russians here in Narva
- Candice to adjust to a new brace & to avoid surgery.
- Thanking God that Corissa's back has improved.
- Our family as we are apart for 3 months.

Thanks so much to all our prayer partners and supporters. Your prayers are vital. Let me share with you some of the results of your prayers and support. August saw the end of summer and of the soccer ministry year. The middle group (12-16) won 2nd place in the national church league put together by Oleg, and the older group (16-18) won first place. But, the best news of all is that several of the soccer players attend youth camp and 2 teens made professions of faith! Pray for Aleksei and Demitri (16) that they will grow in Christ and that God will work in the hearts of the other kids and young adults to open their eyes to the gospel.

September saw the departure of my family (wife and 3 kids to the US for a 3 month medical furlough. I am staying in Narva to continue the work. They arrived safely and their medical needs are being met. My wife's test have all come back good so far with only minor things needing to be worked on. She is on prescription vitamins to help her gain her strength and she is feeling much better. Due to Corissa's growth spurt (now 5 8 1/2") will not need to have a back brace or surgery! Praise God. Candice still needs your prayers. Her curve has gotten worse and 3 vertebrae have degenerated some. She has received a new brace. Pray that it will improve her back to avoid surgery.

Your prayers are so valuable, please keep the Russian people in your prayers and particularly the Russians in Narva, Estonia. Pray that God will move in this city and their "eyes will be opened". Pray that God will reign supreme in our lives and use us to His potential to see great things accomplished for saving of souls and His glory! Thanks for "striving together with us in your prayers". Your prayers comfort us and mean more to us than you will ever know!

For lost Russian souls,
