Prayer Needs

- Soccer ministry
- For Aleksei and Demitri to grow in Christ.
- God to open the eyes of the Russians here in Narva
- Soccer teens to continue to come to the Bible study and bring their friends
- Candice's back to improve

Greetings from the Frozen Top of the World,

A new year is upon us already! We are praying that in 2011 we will see more lives changed for Jesus Christ. Though we've had our ups and downs the last few months we are look forward to the new year. On Nov. 29, my family returned to Estonia safe and sound after 3 months of being apart. I was SO glad to have them back. Their medical furlough was a success with Corissa's back improving and Candice's brace correcting her curve 9 degrees! Continue to pray for her as she wears her back brace and to avoid surgery.

The soccer ministry and Bible study have been slow. Please continue to pray that God will soften their hearts. Although the attendance for the practices are good, the attendance for the bible study has been low (only averaging 3). The first 2 weeks of Dec. no one showed up. We decided to regroup and start after the new year. Then what a blessing! One of the soccer teens called and ask if we were going to have the bible study that night! "Yes", I said, then quickly called those helping and got it together! Two showed up that night. Continue to pray for Aleksei and Demitri (soccer teens saved this past summer) in their spiritual growth.

In the new year I would like to start featuring a teen for the month for you to pray for. We are praying that God would do a great work in these teens lives. First, seeing them come to Christ, then grow in Christ, then reach others for Christ. Your prayers are extremely valuable. Thanks for striving together with us in your prayers!
