Prayer Needs

- Get the apartment set up and ready to hold bible studies
- Getting a bible study for soccer kids together
- God to open the eyes of the Russians here in Narva
- Candice's and Corissa's kyphosis and scoliosis to improve
- God's will and way in our lives.

Greetings from the Frozen Top of the World,

We want to thank you all for the prayers and support you have given. Many have prayed for our health and so far this winter we have avoided any flues and colds! We were able to find a doctor to treat Candice and Corissa's kyphosis and scoliosis in a city 3 hours away. Please continue to pray that their backs will be corrected without surgery.

We also want to thank all those who gave Christmas gifts. We were able to use the money to help furnish the apartment we rented in Dec. for homeschooling and bible studies. It is in a busy central part of town. It still needs a lot of work but we are excited about the potential. We still need to purchase a podium, bibles, chairs, and tract/brochures.

I have been able to help with a kids soccer program with a Russian Baptist Church. Most of the kids (middle school age) have never been to church. I have been given permission to start a bible study with the kids. Please keep this in prayer as we get things together to start the bible study in the apartment we just rented. Pray that God will work in the hearts of these kids making them ready for the gospel.

Please continue to pray for God to open doors to reach the Russian people here in Narva. Pray that my family and I will keep our hearts open to what God has for us and for Him to guide us in doing His will. Thanks again for all you do for us in your prayers and support. Thanks for "striving together with us" in God's work.

For lost Russian souls,

Keith Sampson
