

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

March - April '10

Prayer Needs

- New soccer ministry group started with 18-25 year olds
- God's will and way in our lives.
- God to open the eyes of the Russians here in Narva
- Candice and Corissa's Kyphosis/Scoliosis and Lisa's Celiac
- PRAISE - money received to buy chairs, tables, and a podium

Greetings from the Top of the World,

Spring is a wonderful time, putting a spring in your step and freshness in your soul. God has blessed these past 2 months with funds to furnish our office space for bible studies and with new contacts to invite. The soccer ministry still attracts kids and we are planning a monthly bible study/church service with them. The Russian man working with the soccer ministry, Oleg, has organized a new group for the soccer ministry with young men ages 18-25. We have meet 2 times and have had a good turn out! Keep this in your prayers that we will be able to communicate the gospel to them and that God would "open their eyes, to turn them from darkness to light"!

Thanks for all your prayers and emails about our health. After much effort we have finally got x-rays for the girls and will see if their backs are improving in the next week or so. Continue to pray for them. The local medical system and culture has been hard on the girls (and us). My wife, Lisa, is starting to have some problems again and not sure if she is getting gluten in her diet or if it is something else. Pray for her as she tries to determine what is giving her problems. As I mentioned before, the medical system here is not the easiest to work with.

Please continue to pray for God to work in our lives. Pray that my family and I will keep our hearts pure and tender to God's work and calling. Thanks again for all you do for us in your prayers and support. Thanks for "striving together with us" to reach the Russians in Narva.

For lost Russian souls,

Keith Sampson
