Prayer Needs

- Soccer ministry
- Get a NPO registered and a facility rented for bible study/church
- God to open the eyes of the Russians here in Narva
- Candice and Corissa's Kyphosis/Scoliosis and Lisa's strength
- Keith's leg to heal quickly
- Our family as we are apart for 3 months.

Greetings from the Top of the World,

Summer is here and we are enjoying the sunshine. Many people are out and about enjoying the weather. Our main activity this summer is the soccer ministry. Pray that Oleg (coach and leader) and I will build a good relationship with the boys and will see some of them saved. I tore my calf muscle during one of the soccer games and am doing much better. I still have to limit my walking but am getting around fine. Pray I get my full strength back quickly so I can get back to witnessing on the streets.

Another prayer need is that we are needing to start a Non Profit Organization so we legally can rent a facility to have bible studies and church services. It will also cut the cost of rent and utilities being a NPO. Pray that we will find the right lawyer to help us and all goes smoothly. We are currently renting a residential apartment to meet in but we need to get a meeting facility to be legal. Pray that God shows us the one that is best for us. We would like to have all this done by Christmas.

Lisa and the kids are going to be in the US from September to November for medical purposes while I stay here. Pray for us as we are apart and that the doctors will be able to quickly assess the situation and get treatment. The girls have kyphosis and scoliosis (the doc here said surgery but we don't think it is necessary) and Lisa is battling fatigue, weakness, swelling, celiac disease, and a painful knot on the side of her neck that has been there for about a year. The doctor here said it was allergies but we aren't convinced. Pray the doctors will figure it out and she will get her strength back.
