Prayer Needs

- Soccer ministry
- For Aleksei and Demitri to grow in Christ.
- God to open the eyes of the Russians here in Narva
- Find a gym to rent for practice and bible study before cold weather sets in (Oct)
- Street witnessing this spring and summer to be productive

Greeting from the top of the world,

We want to thank you for praying for us and the people here in Narva. I hope the letters featuring a teen each month has helped in praying more specifically for some of the people we are working with. They so need our prayers that God will open their eyes. If you would like to see the teens we have featured, visit our website prayer board at keithsampson.com. Please keep these teens in your prayers. All of these teens are unchurched.

The last several months have been discouraging. We lost the gym we were renting in January and have not found another facility to rent. Because there was no practice, there was no Bible study. So, we started the Tues. night Bible study back up but only the two who got saved last summer (Demetri and Aleksei) sometimes attended. Summer is almost here so we will be able to play soccer outside and have our bible studies during practice time. In the middle of April, our snow finally melted and the outdoor soccer fields are now dry enough to play on. This past Sat. (April 23rd) we held a tournament with four teams from Narva. Our college age team took first place and the high school group took second! . It was good to see the guys we have been witnessing to. We are looking forward to a good summer. Please be in prayer for their salvation.

With the warmer weather, I have been able to go out and witness on the street. Please pray for follow up. Last summer I witnessed to many people, gave them tracks with my info on them but no one called me back. This year I am going to work at getting their numbers and give them a follow up call. My first week of street evangelism this spring, I have already collected a couple of numbers. Pray God will open their hearts. There are so many people who have not given much thought to spiritual things and many have never heard the gospel. There are those who are open to the truth, we just have to go and find them.
