

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

January 2016

* Ping Pong company owner

Sergei (pronounced Sergay), one of the owners of the company, invited me to their Christmas party. While there, I was able to give him the book "More than a Carpenter" to read over the holidays. He has been very receptive to our conversations about God and Christ and been asking how to know which religion is correct. He returns to Narva in February. Please pray God would open Sergei eyes to the truth of the gospel and would fill me to speak His gospel to him. Pray for his salvation.

* The old orange van just ain't like she use to be

Our van is in sore need of repairs. The timing belt needs replaced, our exhaust and muffler needs replaced, one tire went flat and needs replaced, the parking lights went out, and on our only side door the lock broke so the door will not open. Especially in the winter, it is difficult for the kids, Katia, and Alexander to walk to Sunday School and Bible Study. The van is in the shop and praise God a Christian mechanic is giving me a great deal to fix it all for just under \$600.00. We are still under supported so do not have the extra money to get the repairs done. If you can help with this expense it would be a great blessing.

* Family News

Candice had a great first semester at college (studio arts major) getting straight A's. Corissa is in her last semester of high school and excited to graduate in May! She has been accepted into college to study nursing. Phillip is growing, as teen boys do, and is now 2 inches taller than his mom. He's enjoying not being the shortest in the family! School is not his forte so homeschooling has been a struggle. Please pray for Phillip and his schooling.
