***Bible Study and Easter Service**

Katia is persistent in coming to our Bible Studies and has brought three new girls, Dasha, Angelina, and Lilly. Praise God, Lilly said the sinners prayer on March 20th! Pray for Katia and Lilly to grow in Christ and for Dasha and Angelina to be saved. We also ask for prayers concerning Alexander as he has not been attending the Bible Studies recently. Pray God would stir his heart and he will continue in his spiritual walk. In addition to our weekly bible studies, we held an Easter Service. We were able to combine our services with another missionary's and had 25 people attend! Afterwards Angelina said she was interested in continuing to come to the bible study! It is encouraging to know we will be having another regular member in our bible study when we return!

***Short furlough**

We are flying to the USA on April 1st. We are ecstatic to see our girls Candice (19) and Corissa (17)! Corissa is graduating from high school with honors and we are grateful that we will be able to see her graduate. We also need to raise our support so we will be visiting many new churches. Pray that more churches will see the need and catch the vision that God has for Eastern Europe.

***Van**

We thank God and extend a "thank you!" to all of those who helped finance our van repairs. It is running better than ever! With the money raised, we were even able to have other repairs made that have been on the back burner for a year or more. Praise to God!

***Family News**

Phillip's 14th birthday was March 20th. He was able to go to an indoor climbing adventure and the science center with friends from all round Estonia that he otherwise does not often see. He had a great day! Pray that he will continue to grow in Christ and be the young man God wants him to be.
