

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

August - November 2016

**\* New Ministry Started**

After our return to Estonia we were able to start a new ministry, English Club. Our hope was to make contact with teens at the school down the street from us. It was slow at first but as people started coming, the word got out. Currently we have 5 teens and 3 adults. My wife is a school teacher and she has so enjoyed helping them with their English and excited how God can use this class to introduce people to Christ. For Thanksgiving we invited the students and their families to our house for a traditional meal. We had 15 come and a great time with food, games, and the story of Thanksgiving and Christ. Each family left with a gospel booklet and some tracts. Pray God will draw them to salvation.

**\* Car rust repair**

Our van is on its way to being rust free! \$2,330 has come in so far. We only need \$670 to get it repainted. Thanks so much to those who have helped. Our van is a vital part of starting our soccer ministry back up. Our support is also a vital part of starting our soccer ministry back up. We have replace some of our lost support and the exchange rate is in our favor right now but still lacking funds to support this ministry. We will be back in the USA from September to November 2017 to raise more funds. Pray we can schedule new churches for support. My wife is looking at teaching English to fund soccer but our current visas do not allow her to teach for money, so when we renew our visas in March, we will apply for different visas that will allow us to teach for pay. Pray our visa renewal goes smoothly.

**\*Family News**

My mom's hip replacement went well. Thanks for your prayers. Please continue to pray for my parents' (Chester 86, Janet 78) health so they can live independently. Our two daughters, Candice 20 and Corissa 18, are doing great at Liberty University studying Studio Art and Nursing. Pray as they strive to keep their high GPAs so they can continue receiving large scholarships. Phillip is working though the 9th grade though he is not fond of school. Continue to pray for him to make friends here in Narva. Though Winston, our Yorkshire Terrier, is 12 years old. He is doing good with my parents. Lisa and I, Keith, are super excited to see our girls for Christmas! Pray for safe travels.
