

the SAMPSONS

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

March - April 2017

* Our first Teen Club

Excitement had been building up as we worked and planned on a teen outreach for months. Praise God we had our first Teen Club on Easter Sunday night. Three hundred invitations were handed out near the schools and was advertised on Facebook and the internet. Eight teens showed up and had a good time. They loved the pizza and laughed through the games. We introduced them to the American tradition of an Easter egg hunt. Eggs were hidden all over the building. It was a blast seeing them run all over the place. Our lesson was about finding truth by using methods detectives use. We told the story of the resurrection and then the evidence showing that it is true! They seemed to be interested. All ended with several fun games of foosball and lots of laughter. We are planning another Teen Club on May 28th. Pray the teens that came will come again and invite their friends and God will "... open their eyes, to turn them from darkness to light..."

* Bible study and English Club

Two young men I had been working with but stopped coming have gotten back in touch with me. One is Dema, he was saved in our soccer ministry about 5 years ago. The other is Sasha. Katya brought him to our Bible study on Galations and he got saved about a year ago. Please pray that Sasha and Dema will continue in their Christian growth and let God use them for His glory.

*Family News

God has provided as He always does. Candice and Corissa are finishing up their 1st and 2nd year of college strong, though stressed with finals coming up next week. There was some question as to where the girls would be for the summer seeing we are still in Estonia, but as I said, God provided! They will both be working at a summer camp earning money! College is expensive! What a bless this is to us. They have a place to stay and earn money! Pray for saftey as they travel in mid May to camp. Continue to pray for Phillip with homeschool, language learning, and friends.

**PRAISE
