

the SAMPSONS

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

July - October 2017

* All caught up!

We are overwhelmed by God's love and His provision shown us through His people. We were able to get all bills payed up and extra to help finance our short furlough (Sept. - Nov.) to raise more funds. Thanks so much for your prayers and extra offerings. Our furlough is fully booked with 10 being new churches. Pray we will be able to raise the needed support.

* Discouragement to Cloud Nine

The teen club attendance had been steadily growing with a high of 20. Our last Sunday in August only 3 teen boys showed up. I had prepared a series of lessons that culminated to the salvation message for our last Sunday there before our short furlough. After the lesson while we were playing Uno, one of the boys ask "What is this the Father, and Jesus His son, and the Spirit. I don't understand." For the next hour I was answering questions from all three boys about the Bible and God. All three left with a booklet "Done", a detailed description of salvation, saying they would read it. On the way home were on cloud nine! What a blessing! If the group was larger they would not have felt comfortable to ask these questions. God was in it we know. Pray for Arsine, Andrei, and Stephen to be saved.

* The Family

Candice and Corissa are in their Junior and Sophomore year in college. God blessed them with a good job over the summer and the funds for a new semester. They have moved into their dorms and are excited to be back with their friends. Thanks so much for your prayers for them.

Phillip is growing into a wonderful young man and is getting taller. He is now 5 feet 11 and a half inches (same as I am). He can't wait to hit 6 feet and be taller than his daddy. He is plugging away at 10th grade homeschool while on the road with furlough. Pray for us as we school on the road, that he will learn what he needs, AND we all keep our minds!
