

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

*** New Visitors Every Week**

Teen Club, held on Sunday nights, has been down in attendance but has had new visitors each week! Our room only holds 30 with 2 tables (each seating 8) and 25 chairs. We were averaging 25 to 30 in Jan. and Feb. with one Sunday having 50! The saying goes that you can only grow to 80 - 90 percent of your facilities. It seems to be proving true at Teen Club. The last 2 months we have averaged 18-21 teens.

In February we sent out a video asking for funds to expand Teen Club. Watch it at: https://www.youtube.com/watch?v=rTjsVw_0bGg. A big thank you to Grace Baptist Church for sending funds to buy another table and some stools (chairs take up too much space), a new foosball table (ours is broken), and to help with starting up the soccer ministry again. We still need more funds to relocate to a bigger room so we can comfortably have 50 teens. Please pray about what you can do to help us reach more teens in Narva.

*** The Family**

We have a new addition to the family!!!! A rescue dog named Clementine. She is a Yorkshire Terrier Mini, with lots of love to give. Her future is bright. She is in training to be a therapy dog! We are so excited about the opportunities she can open to us in our ministry here in Narva. We are praying that God would allow us to visit hospitals, orphanages, the handicapped, and the elderly. Please be in prayer that she will train well and be a great blessing in opening doors to tell of Christ's saving love!

**PRAISE
THE
LORD!!!**

2. Money to buy another table and stools
