

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

January 2019

***Teen Club**

Teen Club has been holding steady. Last week on Jan 13, we had 22 teens. Four were new visitors. Though we often have new visitors we don't seem to grow due to the size of our room. It will only hold 30 but with games and activities 20 is comfortable. Please pray for a bigger meeting place. Being in Europe, it can get expensive. We have a place we are praying God will give us with plenty of space for a game and activity room for Teen Club and a couple of classrooms for Bible Studies and other clubs. We can buy the building for \$170,000 or rent it for 1150.00 a month plus utilities. Buying the place would really give us a place in the community and help expand our current ministries. PLEASE PRAY and GIVE!

***The Spirit of Fear**

After a short furlough to raise money and collect baseball equipment, we returned to Estonia in Oct. 2018. We were so blessed with the new churches we were able to visit and all the baseball stuff everyone donated. Money was even given to get it all shipped to Narva! PRAISE GOD. We were so excited. On our return to Narva we got a flu that lasted 2 weeks and a fog of discouragement and fear came on us. How were we going to get land to have a baseball field. Teen Club will not grow in our current location. We can't keep the new visitors. There is no money to do all that is on our hearts. God, were are you? Sound familiar. Yes, all God's workers go through down times. We just could not seem to shake it. I know Satan would like nothing more than for the task to seem impossible. It does seem impossible. Please pray for us to overcome the spirit of fear and discouragement. Please pray that God would lead us and others in what He would have us do to see the work in Narva grow for His glory and the expansion of His family.

*** The Family**
