March - April 2019

**\*Need a car for 2 months in the USA**

We will be in the USA the end of April til the end of June. Our daughter Candice is graduating from college with a BFA in Studio Arts and our other daughter, Corissa, is getting married in May!!!! So excited! Pray for all that goes into graduation from college and getting married. We will also be visiting churches and raising much needed funds for a bigger place for Teen Club to meet and start other ministries that will form into a church. We need about \$1,000 more a month to rent a suitable place or buy it for 175,000. Be in earnest prayer for this need.

**We also need a car for April 24 - June 25 while in the USA.** We will start out in the Virginia area. If you know of a car we can use for these two months please contact us. In the past we have used mission rental cars or a family members car but, since it is for only 2 months, and mission rentals require a minimum of a 6 month contract we can't go that route. Our families do not have any cars to spare this time either. Please pray and spread the word.

**\* Baseball Camp this summer!! Looking for a team to come help with baseball camp in July or August.**

- \* If you love baseball, consider coming to Estonia and helping! There is no baseball here and the teens
- \* are so excited to learn. Any help would be welcomed!

**\* Clementine**

Many of you on the east coast have meet our dog Clementine that we trained as a therapy dog to visit hospitals, schools, and orphanages. Through her we can meet more contacts and be a blessing to the hurting. Two weeks ago, Clementine snapped at a boy. Clementine was great with his mom but was leery of the boy and snapped the first meeting and barked at him the second meeting. His mother was with him and she was very nice about it. We are so, so disappointed. We will not be able to use Clementine for children but we are hoping to still visit adults. Please be in prayer about this. Not sure how this will turn out.

PLEASE  
PRAY!!!!

1. Larger meeting place
2. Funds to buy for 175,000 or rent for 1,150/mo. + utilities
3. A car in the USA for 2 months
