# the SAMPSONS

To open their eyes, to turn them from darkness to light ... that they may receive forgiveness of sins... Acts 26:18

July - August 2019

## \* Summer in Narva

Summer in Narva is rejuvenating. The temperature averages in the 70's with lots of sunshine due to the white nights. The sun sets around 11pm in July and around 10pm in August. The many parks and the gulf beach make for a relaxing and renewing of the mind and spirit. That being said, we have made it a point to take time to prayer walk, street evangelism, sit and rest in God's beautiful creation, and beg God for His guidance in reaching Europe for Christ. The need to so great in Eastern Europe. In all the countries around us there are few to no baptist missionaries. The task is so overwhelming. We are pleading with God to send laborers into the needy field here in Narva.

## \* WIN

A new program called **WIN** <http://worldinitiativenetwork.org> helps enable skilled and business people of any age or background to pair up with missionaries to assist in their work on the field. You could come as a coach to run the baseball ministry. You can come as a restaurant manager to run an American grill to bring in money and contacts for teen activities, family outreaches, etc. You could come as a teacher to help as an ESL teacher or as a professor in the Bible College. The possibilities are really endless. Pray for God to send workers to Narva, Estonia to help us in this needy place.

## \* American Day with the Teens

The weekend before school started we advertised an American Day. We served breakfast - biscuits and gravy, lunch - coleslaw and hot dogs with all the fixings, and supper - fries and hamburgers with all the fixing. Of course baseball and American football was on the agenda. The gospel was give through a talk show setting. It turned out great. Then we had a bonfire with SMORES - the biggest hit of the night! We made some new contacts and praise God for its success with 30 teens.

PLEASE  
PRAY!!!!

1. More workers in Narva, Estonia
2. God to open the eyes of the new teen contacts
3. God's guidance and power in our ministry
